

Cisco Partner Pay

You can offer funding under your name and use Cisco Capital as a reliable funding source.

When your customers want financing terms provided directly by you, you can use Cisco Partner Pay to meet your customer demand.

It enables you to offer flexible payment solutions to your customers with minimal risk to your balance sheet.

About Cisco Capital

Cisco Capital enables business outcomes for customers and partners through payment and lifecycle management solutions in more than 100 countries. We make the digital future accessible to everyone.

Cisco Partner Pay overview

- Partners enters into a contract with their customer that includes periodic payments over a specific time period.
- Partner assigns the payments to Cisco Capital.
- Cisco Capital provides a cash payment for the sum of the assigned payment stream to the partner.
- Partner can then use the cash to fund additional projects or initiatives

The bridge to possible

July 26, 2024

Disclaimer

Payment solutions, applicable financiers and availability of any referenced programs will vary by jurisdiction.

Financing and service offerings through Cisco Systems Capital Corporation and its affiliates (collectively, "Cisco Capital") are available in certain jurisdictions and are subject to credit approval and execution of standard Cisco Capital documentation. Payment solutions not available through Cisco Capital may be offered by an independent financing source. Rates and terms are based on customer's credit rating, offering types, product types and options. Not all customers may qualify. Not all services or offers are available in all jurisdictions. Other restrictions may apply. Cisco Capital reserves the right to change or cancel the foregoing at any time without notice. In California, loans offered by Cisco Capital will be made or arranged pursuant to a California Financing Law License.

How you benefit

- Close more deals with customers who want financing terms provided directly by you or ones who cannot accept leases, like public sector organizations.
- Provides more flexibility and options to offer your customers
- Helps you sell more with minimal risk
- Rely on Cisco Capital for cash flow support
