[Subject Line]

Dealing with a chaotic open office? Learn how to boost productivity.

[Super Subject Line]

Learn how to reduce office distractions—even when working next to Loud Guy.

[Graphic Eyebrow]

Perils of the Open Office #67

[Graphic Headline/subhead]

Loud Guy

Nonstop chit-chat + zero volume control = Worst **colleague** ever

[Copy Headline]

Help your teams escape all kinds of distractions.

[Body]

Boost productivity—even when this guy won't shut up—with a smart huddle room.

Polycom Studio makes it easy for small teams to explore big ideas in a small room, connecting with each other and with remote teams with best-in-class audio, dynamic video, and zero distractions. **Peril averted.**

[Find Out How](#)

And in case you need more proof on the open-office-distraction problem, here's an alarming statistic. **99% of employees worldwide are distracted at work.**¹ Most workers can't escape the noise and interruptions around them. But yours can. Find out how in this new eBook.
