# LOUD GUY

He never shuts up. And he's keeping  
your team from getting stuff done.

## POLYCOM STUDIO

**Help your team escape into a haven  
of productivity.**

With Polycom Studio, simple USB plug-and-play  
connectivity helps them explore big ideas in a small  
room, connecting remote teams with best-in-class  
audio, dynamic video, and zero distractions.

**Be the hero your open  
office workers need**

We can help your teams get more  
done—even when they're stuck  
sitting next to Loud Guy.
