Help your customers get the most out of remote working with Microsoft Teams.

Microsoft Teams is the perfect tool to work remotely and communicate via chat and video. Westcon offers all Microsoft solutions, including Office 365 subscriptions and Azure, in EMEA.

Westcon-Comstor's Cloud Self Service Platform, BlueSky, makes selling Cloud business and licenses really easy. Partners can process Microsoft and other licenses with zero touch, 24/7.

Contact your local account manager for more information.
