Prisma Access Support Offerings

Existing Prisma Access customers

Get a 90-day 200-300% burst on your licences for free to cope with the current increase of remote workers

Existing NGFW customers

Free POC for 90 days for existing NGFW customers

New customers

Buy a one- or three-year licence for normal usage and get a 200-300% burst on the acquired licence count for the first three months

OR

Buy a three-month contract only. One- and three-year contract includes a free PS Accelerator Package (list price \$18K)

Remote Offerings
Summary Guide

Running your SOC remotely

A free, accelerated onboarding package when you purchase Cortex XSOAR before 1 May 2020. This package includes remote deployment assistance to set up Cortex XSOAR quickly for new customers, including configurations for case management, customised incident layout, alert ingestion, remote analyst assignments and the virtual War Room.

In addition, you will get one year of free hosting to further speed your deployment and onboarding.
