

Lifesize's Switch and Save Promotion

Lifesize Offers Customers Switch and Save Promotion!

Customers who currently hold a contract with a videoconferencing competitor can switch to Lifesize today without having to wait until their contract expires: Switch to Lifesize today, and we will credit customers the amount remaining on their current videoconferencing contract.

Why are we doing this?

- organizations have **rapidly transitioned** tens of millions of employees to work-from-home arrangements due to the spread of the coronavirus (COVID-19) and directives from health experts
- **heavily rely on technologies** such as Lifesize to keep their distributed teams securely connected and productive.
- Recently, **videoconferencing security vulnerabilities** have been widely reported in the media, and companies are searching for alternatives – we want Lifesize to be at the top of their consideration set.

What is Switch and Save Promo?

- It is addressed to customers who **currently hold a contract with a videoconferencing competitor** and would like to switch to a Lifesize one;
- The **remaining amount** of their current videoconferencing contract will be **credited** against the new Lifesize subscription;
- The cost of the of the existing subscription; **new Lifesize subscription must exceed the credit**
- All customers must purchase **at least 2x the number of months** of their new Lifesize subscription compared to the subscription being credited.

Customer must sign Lifesize contract by **July 31, 2020**. Customers need to provide **proof of an active subscription with a competitor** along with the **corresponding subscription end date**. Their Lifesize contract will be written with an **immediate start date**, but no software charges until after the competitor contract expires. *

Lifesize New per User Subscription Plan
