

## **Opportunity Registration: \$150 Bonus + 15% Additional Registration Discount!**

Preventing security risk and financial loss requires immediate response and remediation. McAfee is the only market leader with insight to cyber threats from the device to the cloud, and who can help your customers detect and prevent attacks.

McAfee's MVISION platform and robust security solutions provides rapid support and insight to threats. If the vitality of security competitors and their support is uncertain, share the vision of McAfee and your customers will experience the difference.

\*Bring a client seeking to replace their legacy security system with a McAfee solution and you may earn \$150 for each qualified opportunity registration.

\*This Program requires all new qualified opportunity registrations be submitted and approved on the McAfee Opportunity Registration Portal **between November 1, 2019 and December 31, 2020** 

\*T&C Applies. For more information, reach out to our Westcon team today!

## McAfee's Symantec Displacement 3 for 2 Promotion!

Good news for you! McAfee is running a McAfee's Symantec 3 for 2 Displacement Program. This is an opportunity-based registration program that provides your customers with three years of product entitlement

for the price of two on eligible products.

This program provides your customers who are seeking to replace their Symantec security solutions with special pricing on Endpoint EDR, UCE and CASB opportunities. If you have an opportunity to displace one of our other competitors — or to displace Symantec in a different product category — take advantage of McAfee's <u>Bring Security in Vision</u> sales incentive program

- Program Duration: 1 April to 30 September 2020
- Eligible Contract : Only three year contracts are eligible for discounted pricing.
- Eligibility: Customers new to McAfee, (net new logo) and existing customers who have Symantec products installed that meet the requirements of McAfee's qualifying products.
- Eligible Products: UCE SKUs (UCEA and UCEB) and Endpoint SKUs (MV1, MV2, MV6 and MV7) with three-year contracts. Excludes monthly pay-go contracts.
