

# UP IN THE CLOUDS

## WITH GEMALTO AND WESTCON

## Starting October 15, 2015, the sky's the limit with Gemalto!

See the world with the new "Up in the Cloud" promotion from Westcon and Gemalto

SafeNet Authentication Service (SAS) delivers fully-automated, highly secure authentication-as-a service. Flexible token options are tailored to the unique needs of your organization, allowing you to substantially reduce the total cost of operation.

- **Automates everything:** To reduce overhead and maximize effectiveness
- **Protects everything:** Networks, applications and cloud services Broad APIs
- **Protects everyone and provides choice:** Tokens, policies and customization
- **Easy migration:** Move from an existing solution while protecting the current investment

### Earn \$300 in flight vouchers for each closed Gemalto SAS cloud opportunity through Westcon:

#### \$100 flight voucher for each cloud demo

Conduct a cloud demo with your customer and Gemalto or Westcon to earn a \$100 flight voucher.

#### \$200 flight voucher for each closed cloud deal over \$10,000

Receive an additional \$200 flight voucher, when you book a new cloud opportunity through Westcon. Only cloud opportunities over \$10,000 that close after October 15, 2015 will be eligible.

#### Promotion Details

Who is eligible? All Westcon resellers and associates who sell Gemalto/SafeNet are eligible to earn flight vouchers. When and How Will I Be Paid? After you complete the demo, you will receive a link to choose your airline preference from among three major US airlines. Your voucher terms and conditions will abide to the airline you select. Please allow 1-2 weeks for electronic delivery. No registration is necessary.

#### Schedule a cloud demo today!
